

December 10, 2009

Welcome to *Club Moo*!

We are happy to have our Lunchroom set up! This means we are able to order and store milk for January.

If you are new to the milk program, this is your opportunity to order milk for your child. Please note that everyone can join *Club Moo* and collect prizes. Those who order milk will automatically receive a prize each month. Those who don't order milk but bring milk or milk products (cheese or yogurt) in their lunch will receive a prize when their parents fill out a monthly milk consumption calendar.

There will be two milk orders again this year. Milk will be offered for purchase from January to May inclusive. One order will go out for January and February and the second order will go out in February for March, April, May delivery.

REMEMBER

If you join *Club Moo*, you can get prizes even if you don't order milk!

Milk costs \$0.65 per carton. Please make cheques payable to **Botha Hot Lunch**. Fill out one form for each student in your family. Please return Order/Enrollment Form to the School by **Tuesday, December 15, 2009**.

Thank you for your participation!
