# STUDENT OF THE WEEK

Celebrating the "Student of the Week" is a wonderful initiative that recognizes and honors students for their hard work, dedication, and positive contributions to the school community. This accolade not only boosts the morale of the chosen student but also inspires their peers to strive for excellence. The selection is based on various criteria such as academic performance, improvement, leadership skills, kindness, and school spirit. Being named "Student of the Week" offers students a moment to shine and encourages them to continue their efforts. It also fosters a positive school environment where achievements are celebrated, and students feel valued and motivated. Staff members and fellow peers are able to nominate students.
